

## **Lines**

by Marie Poole

I am mischievous

    I am an angel

I am foolhardy

    I am brilliance

I'm a hopeless romantic

    I'm a cynic

I am frigid

    I am warmth

I am single

    I'm a wife

I am alone

    I'm a mommy

I'm a mess

    I am beautiful

I am afraid

    I am love

I don't want to be touched

    I long to be held

I am this moment

and all the moments before,

The lines on my face,

and my glasses,

physical monuments to

a series of moments

that have built

the perfect me

for this very moment

I

AM

THIS

Moment
