

THE ÆON LAW TRADEMARK PROCESS

DISCOVERY

We verify your needs to determine the scope of your project.

PROPOSAL

We provide a flat-fee, all-inclusive proposal for your project to help you budget – and eliminate surprises.

SEARCH

We survey registered/pending marks and common law marks to spot any issues. If needed, we work with you to adjust your idea.

APPLICATION

We prepare a trademark application for your approval, and we work with you to collect any additional information needed.

SUBMISSION

We submit the approved application to the U.S. Patent and Trademark Office.

REVIEW

We handle all negotiations with the USPTO until your trademark is registered or abandoned. This includes the resolution of office actions.

REGISTRATION

Success! We provide guidance for compliance, instructions for deployment and timelines for renewal.

MONITORING

We monitor your trademark registration and send you deadline reminders of filing post-registration documentation with the USPTO to keep your trademark active so you don't lose protection for your brand.
